WHBC Needs Your Help!
We are working hard to put together an updated version of our church directory and database. Please, contact the church office with any changes to your important information - address, phone numbers, & email address.
If you would like to opt out of having your information published in our directory, please let us know. However, we do need your correct information for our database.
Your cooperation with this project is greatly appreciated!

*Dear WHBC family:
Many thanks for your kind gestures, calls, cards, posts, and generous recognition of my 30 years on staff. It seems impossible that three decades have passed . . . until I stop to reflect on ALL that has happened over that time. And, as a third generation WHBC member, maybe 30 years isn't really that long after all. Perspective is everything! I greatly appreciate all who have been part of this journey with me, and supported me through it. Thanks again!
Peace, David*
