Sanctuary Renovations

The work on our sanctuary will begin the first full week of this month. We will begin with painting, and the carpet will be installed when painting is finished. The church's front doors, and the door at the front corner of our building (31st & Springhill) will remain locked during this time. Please refrain from entering the vestibule or sanctuary while this work is ongoing. On Sunday mornings, please enter the church via the office, the elevator, or the handicap entrance (downstairs). **Services will be held in our chapel until the work is completed.** We are sorry for any inconvenience you may experience. Our goal is to have the renovations finished by Easter.
